

Legrand cabling system LCS³ enclosures

cabling ducts and accessories

4 460 60/64 (on top of a cabinet)

4 460 60

4 460 62

4 460 70

Material: steel
 Finish: powder coating
 Colour: RAL 9011 (black)

Pack	Cat. No.	Cable ducts
		<p>Cable ducts Cable ducts height 120 mm for optimum cabinet cabling For large cabinets, it is possible to combine a wide trunking element with another narrow one to get triple compartmentalization: this can be used, for example, to separate fibre optic, copper data and power supply cables</p> <p>Wide cable ducts Cable ducts depth 600mm to be placed by the central roof entry point Suitable for running large quantities of wiring to the left or right of the cabinet Equipped with a movable partition so that, for example, fibre optic and copper cables can be separated Equipped with waterfalls to create the correct radius of curvature for the cables, facilitate the cabling and support the cable structure at the side of the cabinet so that the equipment can still be accessed easily</p>
1	4 460 64	Wide cable duct. Rack width: 600 mm
1	4 460 65	Wide cable duct. Rack width: 800 mm
		<p>Narrow cable ducts and partitions Cable ducts depth 200mm to be placed by the cabinet's rear roof cable entry points Suitable for small quantities of wiring (for example, connections between servers)</p>
1	4 460 60	Narrow cable duct. Rack width: 600 mm
1	4 460 61	Narrow cable duct. Rack width: 800 mm
1	4 460 68	Partition. Rack width: 600 mm
1	4 460 69	Partition. Rack width: 800 mm

Pack	Cat. No.		Covers and end plates for cable ducts
			<p>Covers and end plates for cable ducts Depth of narrow cable duct: 200 mm Depth of wide cable duct: 600 mm</p> <p>Covers For keeping content safely separated and providing protection against dust Can be assembled directly onto the cable ducts</p>
1	Narrow cable ducts	Wide cable ducts	
1	4 460 62	4 460 66	Rack width: 600 mm
1	4 460 63	4 460 67	Rack width: 800 mm
1	4 460 70	4 460 71	<p>End plates For closing off cable ducts at the end of the row Rack width: 600, 800 and 1000 mm Supplied with assembly materials</p>
